

## Mental Health Services Registered Nurse

- Do you want to make a difference in mental health in the primary sector?
- Permanent, part-time (0.8 FTE) position
- Tauranga location
- Flexible working including work from home

### Te Whiwhinga mahi | The opportunity

Are you an awesome registered nurse with experience in mental health? We want to hear from you! The Mental Health Services Registered Nurse will be responsible for providing mental health assessments, screening, and interventions. You will also ensure clients referred to the CPO Mental Health Programme receive timely and appropriate care and support. A component of this role may include the development and delivery psychoeducation workshops to patients within our community. You will also provide mental health education to relevant health professionals on a day-to-day basis as well as in formal teaching settings.

This is a welcoming environment with plenty of opportunity for growth and professional development. You will work in a flexible work environment and have the opportunity to work from home some days. While this is a permanent, part-time role, there is the ability to take on more hours as and when required by the service. If you are an agile and enthusiastic registered nurse - come and join our dedicated and hardworking team!

### Ko koe tēnei | About you

You'll bring to the role:

- An expert, confident, Mental Health Practitioner with an ability to work independently across the sector.
- A working knowledge of the incorporation of the Treaty of Waitangi principles into everyday practice to contribute to the improvement of Māori Health status.
- Demonstrated ability to work in a culturally informed way.
- A commitment to the provision of equity in practice.
- An effective communication style across a range of mediums.
- Behave in a professional manner always, acting with dignity and fairness in dealing with others.
- Effective relationship management capability.
- Take responsibility for own Professional Development and identify and recommend learning needs to manager.

### Ko wai mātou | About us

WBOP PHO is a joint venture partnership between Ngāi Te Rangi and Ngāti Ranginui iwi and our General Practice network.

WBOP PHO is a not-for-profit health care organisation focused on supporting and delivering community-based primary health care and wellness services directly to consumers and through supporting general practice networks and other providers across the Bay of Plenty Rōhe from Katikati to Ōpōtiki.

### Rā Katinga | Applications close: Friday , 23 September at 5pm
