

Health Coach - (IPMHA)

- Make a difference with mental health and wellness outcomes in our community!
- Specialised training and support given
- Permanent role - part-time and full-time positions available
- Locations across Western Bay of Plenty
- Flexible working including work from home

Te Whiwhinga mahi | The opportunity

The new and innovative model of Integrated Primary Mental Health and Addictions (IPMHA) Services aimed to reduce barriers to accessing quality, convenient and patient-centred care is being implemented in the Bay of Plenty. We have exciting new opportunities for Health Coaches to make a difference to the mental health and wellbeing of our Western Bay of Plenty community. We have part-time and full-time positions available at a number of locations. Based in Tauranga, Katikati, Te Puke and Whakatane, this role will work closely with General Practices to enhance access and choices for patients by providing skills, tools and confidence to enable participants to reach their self-identified goals.

Duties will include:

- Working in partnership with the patient to assist them to understand and develop a healthcare action plan
- Serving as the patient's liaison for services
- Providing cultural support
- Providing advocacy to ensure the patient's voice is heard
- Teaching coping and stress management skills
- Providing emotional support
- Accurately recording all patient related information

This is a welcoming environment with plenty of opportunity for growth and professional development. You will work in a flexible work environment and have the opportunity to work from home some days. If you are an agile and enthusiastic person - come and join our hard-working and dedicated team!

Ko koe tēnei | About you

You'll bring to the role:

- A knowledge of the Health Coaching Model and ability to implement the model.
- Provision of self-management support, bridging the gap between clinician and the client, helping clients navigate the health care system, offer emotional support, and serve as a continuity figure.
- A collaborative approach when working with others.
- Effective organisational and time management skills.
- Effective communicator across a range of mediums.
- A strong equity focus, by ensuring care is client-focussed and planned with regards to individual cultural needs.
- Skills to assist with care coordination and access to outside resources, is provided as needed.

Ko wai mātou | About us

WBOP PHO is a joint venture partnership between Ngāi Te Rangi and Ngāti Ranginui iwi and our General Practice network.

WBOP PHO is a not-for-profit health care organisation focused on supporting and delivering community-based primary health care and wellness services directly to consumers and through supporting general practice networks and other providers across the Bay of Plenty Rōhe from Katikati to Ōpōtiki.

Rā Katinga | Applications close: Wednesday, 15 March at 5.00pm
